FINAL MINUTES AND AGENDA
TOWN OF JUPITER
TOWN COUNCIL MEETING
TOWN COUNCIL CHAMBERS
TUESDAY, APRIL 18, 2023

Mayor Kuretski called the meeting to order at 7:00 P.M.

Roll Call: Mayor Jim Kuretski; Vice-Mayor Ron Delaney; Councilor Cameron May; Councilor Cheryl Schneider; Councilor Malise Sundstrom; Town Manager Frank Kitzerow; Town Attorney Thomas J. Baird and Deputy Town Clerk Stephanie Proffer.

PRESENTATION

1. Bureau of Land Management by Peter Dewitt, Jupiter Inlet Lighthouse Outstanding Natural Area Manager.

Mr. Peter Dewitt, Jupiter Inlet Lighthouse Outstanding Natural Area Manager, gave a brief presentation on the Jupiter Inlet Lighthouse Outstanding Natural area which included the history; archeological resources; annual visits; mutual aid agreements; education, US Highway One Bridge construction; vegetation treatment; infrastructure projects; south side parking; restroom and meeting space remodel; living shoreline stabilization and restoration projects; Florida Atlantic University Study; and Florida Resource Management Plan Amendment.

Mayor Kuretski thanked Mr. Dewitt and noted the presentation was very informative.

Councilor Schneider thanked Mr. Dewitt for all his hard work. She stated there was important work going on there and felt residents needed to be aware.

Vice-Mayor Delaney asked after the restoration how many boats would be able to pull into the east facing portion.

Mr. Dewitt said between 17 to 20 which was half the current capacity.

Councilor May asked if there was work being done on the east facing portion now.

Mr. Dewitt stated it was dredged to keep the inlet open but was not their project.

Mayor Kuretski welcomed Boy Scout Troop 173.

2. Town of Jupiter's fiscal year 2022 Annual Comprehensive Financial Report (ACFR) by Marcum CPA Firm.

Mr. Maurice (Mo) Marcum, representing the Marcum CPA firm, gave a brief overview of the Annual Comprehensive Financial Report. He highlighted the Independent Auditor's Report, Management Discussion and Analysis (MD&A), Basic Financial Statements, and the Reporting Section including the Federal Single Audit Report.

Mr. Marcum mentioned the Town compared highly to other municipalities in regards to its financial condition.

Mr. Marcum noted key elements including, total net position, increased operations, unassigned fund balance and American Rescue Plan Act (ARPA) funds.

PRESENTATION

2. Town of Jupiter's fiscal year 2022 Annual Comprehensive Financial Report (ACFR) by Marcum CPA Firm.

Mayor Kuretski thanked Marcum and the Audit Committee for their commitment.

Councilor Sundstrom stated it was an honor to be the Council liaison for the Audit Committee, *and mentioned that not every municipality had a professional Audit Committee to look into and question Town budget documents*. LC 5/2/23

Mr. Scott Reynolds, Finance Director, gave an overview of the most recent Audit/Surtax Committee meeting.

Mayor Kuretski asked if it was a clean opinion and no findings in the report.

Mr. Marcum confirmed that was correct. He noted that the Marcum CPA firm audits 47 South Florida municipalities and 250 across the United States and it was not common to have zero findings or recommendations.

Mayor Kuretski and Councilor Sundstrom thanked Mr. Reynolds and Staff for their efforts.

CITIZEN COMMENTS

Ms. Linda Smithe, resident of Via Rio, thanked Council for continuing the Connect with Council. She mentioned trash clean up events and her concerns regarding single use plastic, climate change and electric vehicles for the Town.

REGULAR AGENDA

PUBLIC HEARING

8. **Resolution 29-23, Jupiter Medical Center** - ***Quasi-judicial*** **–** Site plan amendment application for a major expansion to add a five-story addition and construct a five-level parking garage on the east side of the existing hospital building, on a 27.3± acre property, located at 1210 Old Dixie Highway. (continued from 4/4/23)

Ex Parte:

- Councilor Schneider stated she met with the Applicant at his office with Mr. Donald Hearing with Cotleur and Hearing.
- Councilor Sundstrom mentioned she met with the Applicant and Staff.
- Councilor May stated he met with the Applicant and Mr. Hearing at their office.
- Mayor Kuretski mentioned he communicated on April 2nd and 4th with the Interim Director of Utilities about the water main extension and loop, and the estimated impact fee assessment.

Councilor Delaney indicated he planned to abstain from voting due to his wife working for Jupiter Medical Center.

The Town Clerk swore in 8 people.

Mr. George Missimer with Cotleur and Hearing on behalf of the Applicant, spoke about the Jupiter Medical Bed Tower expansion project. He reviewed the location of the bed tower on the eastern side of the campus, the proposed expansion of the bed tower and the parking garage associated with it. Mr. Missimer stated the expansion would be about 135,000 square feet and add 92 new patient beds, along with a little more than 500 parking spaces. He also mentioned the relocation of an administrative building and creating a new healing garden south of the new bed tower.

Mr. Missimer reviewed the estimated schedule of the project, current setbacks, and a potential zoning text amendment to modify the setback for the parking garage from 50 feet to 40 feet to preserve a row of parking on the ground floor.

Mr. Peter Meyer, Senior Planner, gave an overview of the project, setback reduction, landscaping, and modifications to resolution 4-21, conditions 5, 7(d), 8, and 11(d). He stated Staff was not supportive of the setback reduction for the garage due to the required landscaping provided between the building and Old Dixie Highway to help reduce the scale of the parking garage.

Mr. Meyer mentioned Planning and Zoning Commission recommend approval of the application with the deletion of Condition 8(d) that required approximately 230' of landscaping to be added along the existing sidewalk on the east side of Old Dixie Highway. He stated Staff recommended approval subject to conditions in resolution 29-23.

REGULAR AGENDA

PUBLIC HEARING

8. Resolution 29-23, Jupiter Medical Center

Councilor Sundstrom asked about bicycle parking and if signage for parking would be clearly marked.

Mr. Missimer stated there were a few locations in the garage that could provide bicycle parking and that signage would be clearly marked throughout the campus.

Councilor Schneider stated she was happy to see the parking garage added and was supportive of the item and Staff's recommendation with the conditions of approval.

Councilor Sundstrom mentioned she was also supportive of the application and pleased to see the landscaping on Old Dixie Highway and the garden. She stated she did have concerns regarding the setback.

Councilor May stated he was supportive of the project and the Applicants request for the setbacks. He mentioned that the additional row of parking on the west side of the parking garage would help, especially for ADA compliance.

Councilor Schneider stated she was also supportive of the text amendment to have the extra row of parking street level.

Mayor Kuretski thanked the Applicant and emphasized the market value of the hospital was $123 million, the taxable value was $111 million, the tax exemption value was $109 million, and the ad valorem tax basis of the entirety of the medical center was two million dollars. He mentioned he looked into the impact fee request and was not supportive because the fees were not for the distribution system.

Mayor Kuretski stated he was supportive of the setback but expressed his and Staff's concerns regarding setting a precedence for other properties.

Councilor May moved to approve Resolution 9-23; seconded by Councilor Sundstrom; motion passed.

10. Selection of Town of Jupiter Vice-Mayor 2023-2024. (continued from 4/4/23).

Councilor May moved to select Councilor Schneider as Town of Jupiter Vice-Mayor 2023-2024; Council unanimously agreed.

11. **Resolution 40-23,** Considering an Interlocal Agreement with Palm Beach County for the Delivery of Fire Protection and Emergency Medical Services.

Scott Reynolds, Finance Director, presented the Interlocal Agreement (ILA) with Palm Beach County Fire Rescue (PBCFR) to Council for approval. Mr. Reynolds stated the guardrails of an amendment process were added and the ILA was proposed to PBCFR. Mr. Reynolds said PBCFR sent an email response that requested the language be removed to reflect their prior comprehensive plan.

Councilor May stated he understood that the agreement would be consistent with PBCFR level of service and did not need an amendment. Vice-Mayor Schneider agreed.

Councilor Sundstrom said that the agreement was a departure from the previous contract in terms of reducing local control and that was a concern. She noted the difference in systems between the Town and PBCFR.

REGULAR AGENDA

PUBLIC BUSINESS

11. Resolution 40-23,

Mr. Kuretski said he never questioned the quality of service provided to the Town by PBCFR. His expectations during the contract renewal process was for a collaborative effort to allow both parties to come to an agreement. He stated the contract was one-sided and felt like PBCFR was asking the Town to write a blank check. Mr. Kuretski said he asked for explanations from PBCFR about the Human Resources budget, the retention of historical unspent funds, and surplus ad valorem tax collections from the MSTU and did not receive a response or an answer to his questions. He stated that was unfair to the Town of Jupiter taxpayers and would not support it.

Councilor Delaney said he generally agreed with Mayor Kuretski and was disappointed with the entire almost year-long negotiation process. He stated PBCFR started by tripling the rate then over doubling the rate, which would cause a drastic increase to Jupiter taxpayer's mortgage payments. He noted how fiscally responsible the Town has been, and in good conscience cannot support the agreement.

Vice-Mayor Schneider said PBCFR charges were based on actual data and calls and was confused how the Town could be overcharged.

Councilor Delaney said he had not seen any evidence to support that the charges were based on the actual calls and data.

Councilor Sundstrom said she shared concerns over cost and local control but supports the agreement. She stated the job was to come up with the best possible ILA and within the restraints of their system this was the best negotiating they could do.

Vice-Mayor Schneider supported the agreement and was not concerned about runaway costs because it was based on actual calls and data.

Councilor May supported the agreement.

Councilor Sundstrom asked for clarification of email language from PBCFR.

Mr. Scott Reynolds stated it was to remove the amendment section related to equipment and personnel levels.

Councilor May moved to approve Resolution 40-23; seconded by Vice-Mayor Schneider; motion passed.

ROUNDTABLE

12. Strategic Planning Prioritization.

Kate Moretto, Assistant Town Manager, presented the proposed prioritization of the Strategic Plan. She explained Council had prioritized Action Items on the Strategic Plan by scoring electronically on a scale one through five, five being the highest priority. She mentioned any item on the plan scoring four or higher would be the benchmark to keep on the proposed plan. She noted the objective of the Roundtable was to end up with a final list of Strategic Initiatives to adopt at the next meeting. Ms. Moretto started with the Organizational Excellence initiative.

Mayor Kuretski asked to change the wording on the New Town Hall action plan to reflect that it would be fully enclosed by 2023 peak storm season and finished by 2024 storm season.

Ms. Moretto continued with Fiscal Responsibility and Mobility initiatives.

Mayor Kuretski asked if the Florida Depart of Transportation (FDOT) anti-glare initiative was completed and if so could be removed from the Strategic Plan. He also asked to re-word action items four and three.

Ms. Moretto discussed Safety, Unique Small-Town Feel, and Green, Blue, and Open Spaces initiatives.

Mayor Kuretski asked if derelict vessels could be changed to anchored vessels.

Vice-Mayor Schneider stated changing the name would allow for a broader category.

Council unanimously agreed.

Ms. Moretto went on to discuss Manage Growth; Operational Items; and the Next Steps.

Mayor Kuretski discussed the summer roundtable item from Next Steps and noted reviewing definitions and having a consensus of what each item meant was very important. Vice-Mayor Schneider agreed.

Mayor Kuretski noted years ago he advocated for a special assessment process under the Financial Responsibility Initiative when the stormwater utility formed. He inquired if it needed to be a strategic initiative or a Town Council policy.

Councilor Sundstrom believed it was a great tool to utilize now and in the future. She noted she did not want to rush but instead *wanted* to see how the implementation would play out. LC 5/2/23

Ms. Moretto asked if there were any items which would not get adopted in this year's plan, which could be put in a "parking lot" to be considered as time progressed or other things fell off.

ROUNDTABLE

12. Strategic Planning Prioritization.

Councilor Sundstrom stated she believed the parking lot was full or overflowing and noted she had to remove an item from her list. She said she would not be putting it back on her list next year but did not want to park it either. She noted it was her personal preference and not the entire Council.

Councilor Delaney asked if Mayor Kuretski thought the Special Assessment Process as a policy would have more Staff involvement.

Mayor Kuretski stated no and noted the Finance Department had the ability to do the assessment but it was something which needed to be on Council's mind when approving projects.

Councilor Delaney said he would be willing to keep it on the Strategic Plan due to there being a majority and Mayor Kuretski had been advocating for years but he was also cognizant of not wanting to overwhelm the Staff.

Vice-Mayor Schneider stated she was in support of the training center but her answer was not recorded.

Councilor Sundstrom said she had questions on it but could support development of a conceptual plan.

Mayor Kuretski stated he does not know where the Town would come up with the funding and did not believe it belonged on the strategic plan.

Councilor Sundstrom noted she did not know enough about it to discuss and said it was still in the early stage. She believed there was training in Palm Beach Gardens which she was unsure if there was a cost to the Town.

Vice-Mayor Schneider believed it was worth looking into and evaluating and then deciding if it made sense or not.

Councilor May noted he had no concerns for funding due to there being a potential for outside funding. He stated the Town could engage the lobbyist firm to represent the Town's interest in potentially getting State funding.

Vice-Mayor Schneider believed it was best to come up with a plan and then see if the Town could get funding.

Councilor Sundstrom said she would like to start with a plan.

Mayor Kuretski noted there were at least three Council members in support of a plan.

Councilor May said many of his items were red-lined but he would like to see a simple development plan for Piatt Place. He noted he just wanted to make a conceptual plan for the property during the bridge construction.

ROUNDTABLE

12. Strategic Planning Prioritization.

Councilor Delaney believed the Town needed to wait for the perfect scenario on Piatt Place.

Mayor Kuretski said he would like to find a use for Piatt Place before the CRA funds were gone.
Mayor Kuretski agreed and thank Ms. Moretto for all her efforts.

Ms. Moretto thanked Council for doing their homework.

Councilor Sundstrom recognized Staff and was grateful for all their hard work.
